

EnginSoft Nordic AB merges with PDSVISION AB

Stockholm 8th of December 2021

In January 2020 PDSVISION Group AB acquired EnginSoft Nordic AB and with that acquisition we further strengthened our CAE core business. Now we are fully merging EnginSoft Nordic AB into the PDSVISION brand.

Starting from January 1st, 2022, EnginSoft Nordic AB will merge into PDSVISION AB (VAT: 556552-4021). This means that all your future invoices and communication will be sent out from PDSVISION AB (VAT: 556552-4021). The contact details to us as company and personnel will remain despite the merger.

Our promise to you is to keep delivering state of the art solutions, services, and support. At PDSVISION, we are passionate about what we do, we strongly believe in sustainability, and our goal is that our professional approach continues to create a lot of value for our customers.

About PDSVISION

PDSVISION Group (PDSVISION), was founded in 2008 and is a global provider of solutions and services focused on helping companies successfully enable their Digital Transformation Journey from product development to aftermarket services.

PDSVISION is considered the leading and trusted advisor within the product development sectors. This is achieved by combining best-in-class software solutions, technical support and professional training, with divisions located across the globe. PDSVISION's solutions are centered around the portfolio of products provided by PTC Inc. and Ansys Inc. These are focused towards the areas of 3D Design (CAD), Product Lifecycle Management (PLM), Service Lifecycle Management (SLM), Internet of things (IoT), Augmented Reality (AR) and Simulation (CAE). PDSVISION develop their own range of software applications to add extra capabilities to further enhance utilization for the main solutions it offers.

The group is projecting sales in 2021 of ca €55 million, is headquartered in Sweden and has operations in Finland, Denmark, Norway, Germany, United Kingdom, South Africa and the USA.
